

## INDICATORS OF THE VALUES OF PANCASILA

2022

BPIP REGULATION NO. 4 OF 2022, BULLETIN GAZETTE 2022/NO. 814, 8 PAGES.

### REGULATION OF THE AGENCY FOR FOSTERING PANCASILA IDEOLOGY ON INDICATORS OF THE VALUES OF PANCASILA

- ABSTRACT : - Pancasila as the basis, ideology and philosophy of the state is the source of all sources of state law internalized and institutionalized in policies and legislation. Based on these considerations, it is necessary to issue a Regulation of Agency for Fostering Pancasila Ideology on Indicators of the Values of Pancasila.
- Legal Basis of this Regulation of the Agency for Fostering Pancasila Ideology is Law Number 12 of 2011; as amended several times and last by Law Number 13 of 2022; Presidential Regulation Number 7 of 2018; BPIP Regulation Number 5 of 2021.
  - Regulation of the Agency for Fostering Pancasila Ideology regulates Indicators of the Values of Pancasila. Indicators of the Values of Pancasila are the embodiment of values and the actualization of values contained in Pancasila as the source of all sources of state law. Indicators of the Values of Pancasila are used as guidelines in the making of policies and legislation by state institutions, ministries/institutions, local governments, and village governments. In the making of legislation, it is aligned with Indicators of the Values of Pancasila by the Agency for Fostering Pancasila Ideology.
- NOTES : - This Regulation of the Agency for Fostering Pancasila Ideology comes into force on the date of its promulgation, 26 August 2022 and is issued on 3 August 2022; Annex : 5 pages.
